The PSC candidate elected will exercise regulatory jurisdiction over public utilities providing electricity, water, wastewater, natural gas and certain telecommunications services in Louisiana. The Public Service Commission determines things like how much we pay for electricity, where we get our electricity, and power grid reliability.

DECEMBER 2022 CONGRESSIONAL GENERAL ELECTION

VAYLA'S GUIDE TO THE CONSTITUTIONAL AMENDMENTS

AMENDMENT 1

Amends the Louisiana Constitution to read
"Every person who is both a citizen of the state and of the United States, upon reaching eighteen years of age, shall have the right to register and vote..."

A "yes" vote supports re-wording the Louisiana Constitution to state that non-US Citizens cannot register and vote in Louisiana.

A "no" vote opposes this change. The Louisiana Constitution will retain the original wording as "Every citizen of the state, upon reaching eighteen years of age, shall have the right to register and vote..."

*Note: Louisiana already requires you to be a citizen in order to be eligible to vote.

Amends the Louisiana Constitution to require senate approval for Governor appointees to the State Civil Service Commission.

A "yes" vote supports the added senate confirmation requirement for State Civil Service Commission appointees after they are appointed by the governor.

A "no" vote opposes the added requirement of senate approval, and the current law would remain unchanged. Governor appointees to the State Civil Service Commission will not require senate confirmation.
